Mission Statement

The purpose of OC Kids Childcare Inc. is to provide high quality programming in an innovative environment that supports the family, respects the child, builds character, and encourages learning through exploration.

Philosophy

At OC Kids Childcare Inc. we offer you and your child something unique and different from other childcare centers in Orange County. We create an environment where children are safe, nurtured, loved, and encouraged to learn.

OC Kids Childcare Inc. has an exclusive curriculum designed by Credentialed Teachers in which children are exposed to a large network of educational resources and the best care available. OC Kids Childcare Inc. develops programs that focus on the development of the whole child. We balance standard based academics and age appropriate developmental skills, learning through play, and creating "Life-Long Learners." OC Kids Childcare Inc. believes that children learn through experiences, play, and direct instruction. We provide an environment that encourages children to learn, play, and explore. We meet the needs of our children socially, emotionally, physically, and cognitively. Children leave OC Kids Childcare Inc. with a solid foundation, prepared to meet the standards and expectations ahead of them. Our school age program supports the child and family by building the connection between home and school. Supporting homework, arts & crafts, and recreational activities.

We encourage and teach the children life skills to prepare them as they grow. They learn how to share, take turns, follow directions, and use their "words" to solve problems. At OC Kids Childcare Inc. we follow a positive discipline policy that uses redirection to encourage children to make better choices. We teach children how to make good choices and praise them for doing so.

We are committed to quality care for children. OC Kids Childcare Inc. offers a clean, nurturing, and safe environment for all children. We are culturally sensitive, encouraging diversity and positive self worth. All children, regardless of ethnic background, race, color, or religious beliefs, are equal and participate in our non-discriminating environment. We show respect for each child's cultural, ethnic, and family background, as well as their primary language or dialect.

OC Kids Childcare Inc. believes in the importance of open communication between parents and staff. This open communication provides consistency for the child and a balance of school and home. Parents and teachers work together to benefit each child. OC Kids Childcare Inc. is open for parents to visit and observe their children at any time.

OC Kids Childcare Inc. staff is committed to providing dedicated service and support to your family. We hire educated teachers with at least 12 units in Early Childhood Education, CPR, First Aid, and previous preschool experience. In order to provide the best care and instruction, our staff attends in-services and meetings in the field of Early Childhood Education. We understand that education is a life-long process and continually stay up to date in the best practices for our children. Our entire staff brings unconditional love, emotional security, a sense of routine, and an opportunity to be creative and resourceful to our program.

The program provides activities which include Arts & Humanities, Health & Fitness, Cooking, Literacy, Science, Technology, Social Competence, and Conflict Resolution.

For our Kindergarten children we offer an "extended academic program." This program is designed by Credentialed School Teachers. It teaches and supports the CA State Kindergarten

Standards. We accommodate the half-day Kindergarten program by walking children to class and picking them up from class.

Transportation

During the school year, our school age program offers van transportation each morning and afternoon for children attending Cypress School District schools: Vessels, Landell, King, Arnold, Luther, and Morris.

A non-refundable van transportation fee of \$10.00 per week will be billed to Enrolls accounts for any child enrolled in our school age program needing transportation to/from Vessels, King, Arnold, Luther, and Morris. - We do not accept same day calls for tardiness. Your child must arrive before 9:00am.
- Late arrivals for medical appointments or procedures will not be accepted. Appointments will need to be made for afternoons.
- If you arrive after the gate has been locked, this means you are not eligible for care on that day.
- No tuition adjustments will be made for a child who did not receive care because of the "9:00am Lock & Turn Away" policy.

Emergency Information

It is very important that we have a current emergency phone number where you can be reached. Your child's care is our utmost concern. In the event of an emergency, unnecessary delays in locating the parents could jeopardize the wellbeing of the child. Please keep the school up-to-date on phone numbers and other pertinent information.

Symptoms

Children with the following symptoms will be sent home or not admitted to OC Kids:

DIARRHEA: Three or more loose bowel movements in one day will result in the child being sent home. They may not return until they have been free of diarrhea for at least 24 hours. This means they may not return the next day.

VOMITING: Any child that vomits will be sent home. We encourage you to have your child stay home the following day to let things settle. However, if you feel that it was just a "one time thing" your child may return. It is up to our discretion whether or not they may stay. They will be sent home if we feel they are not well enough to attend.

FEVER: Any child with a fever of 101 degrees or higher will be sent home. They may not return the next day or until they have been free of fever for at least 24 hours, **without the use of Tylenol!**

COUGH: Any child with a persistent, hacking cough may be sent home.

LICE: A child sent home with lice will not be readmitted until they are nit free. When the child returns, the teacher will make an evaluation and determine if the child can remain at our school. Our procedure, when lice is detected, is to check each child at our center, send home all sheets and blankets, and thoroughly spray each classroom.

Children with the following symptoms will be sent home and may return to OC Kids with a note from the doctor stating a diagnosis and that the child is cleared to return to school:

PINK EYE: Pink eye or any eye condition must be checked by a doctor. Once medication has been started a child may be readmitted the next day. We will need a note from your doctor stating the diagnosis and that it is not contagious.

RASHES: Any rash, bump or skin affliction will be cause for leaving the center. A diagnosis from the doctor of exactly what it is and a clearance that it is not contagious will be necessary before re-admittance.

DISCHARGE: Excessive discharge could be an indication of an infection. If your child is sent home with this condition, they may not return the following day. They may return the second day if on antibiotics or with a written diagnosis from the doctor.

THRUSH: Any child with white spots in their mouth will be sent home. They may return to school once their mouth is cleared of white or they have a note from their pediatrician stating; the diagnosis, that they are being medically treated, and that they are cleared to return to school.

Children absent from OC Kids Childcare Inc. because of a communicable disease will be readmitted only with a note from the child's physician stating the diagnosis and that they are no longer contagious. We reserve the right to send a child home and readmit them at our discretion. We realize that most of you are working parents and we do try to accommodate you as much as possible.

Please do not bring in a sick child. It may compromise the health of other children and staff members. Failure to comply may result in your needing to find another center that can better meet your needs.

Illness or Accident During School Hours

Please make sure you leave a contact number as you sign your child in daily. Should your child become ill, have an injury/accident, or behavior problem while at school the parent will be notified immediately. When you are notified that your child needs to go home, they need to be picked up within 30 minutes. We do not have accommodations for sick children. If your child is not picked up within 30 minutes, the normal late fee policy of \$1.00 per minute with a \$5.00 minimum will be applied. In the event the parent cannot be reached within 30 minutes, the director or teacher will determine treatment according to the circumstances and seriousness of the situation.
